We bridge the gap in learning

Date: 14 October 2026

Dear Future Wings Parents.

Financial structure for 2027

We would like to thank all our parents for your regular and timely payments of school fees during the past year. We are well aware of the current difficult economic situation in our country, and we realize that we all need to tighten our belts to make ends meet.

Our school is also exposed to inflation and rising costs, and therefore we will increase our current prices by 5% for 2027. Aftercare fees are increased due to the rising costs of food.

Curriculum fees are payable by Grade 1 to Grade 3. Grade 4 to Grade 11 need to purchase textbooks. See the table below.

Please address all financial queries to admin@futurewings.co.za

We are looking forward to another successful academic year for all Future Wings learners.

Kind regards,

FUTURE WINGS MANAGEMENT
