

Thank you for taking an interest in Future Wings Academy.

Our Mission:

Delivering specialized, quality education in a supportive remedial environment, where learners and their parents feel safe and cherished, and where learners are empowered to reach their full potential.

Our Vision:

Future Wings Academy 's vision is to empower learners with specialized educational needs in a positive and caring environment, to become mature, contributing members in their communities.

Directors

- Ms. Bessie Venter-van Zyl (Educational Psychologist)
- Ms. Engela van der Heever – Greyling (Occupational Therapist)
- Ms. Nici Jansen van Rensburg (Speech Language Therapist and Audiologist)

Centre Manager

- Mrs. Sylvia Ipland

Our Program

Curriculum Provider:

CAPS curriculum as supplied by Alpha Education

You will be required to register your child as a home-schooled learner at the Department of Education. Assistance will be given in this matter.

Our trained remedial staff will provide tutoring daily in a small classroom environment to ensure maximum development and allowing each child to reach their maximum potential at their own pace as prescribed.

Therapeutic program:

A Therapeutic program compiled by the team of Therapists will be followed at school every day in the classroom; it forms part of their daily routine. This includes fine and gross motor activities, a visual perception program, sensory stimulation, and auditory processing activities.

A Self-Regulation program is implemented in the classroom to assist with modulation and concentration difficulties.

Giving Children Wings Reading, and concentration sessions, once a week on an individual basis, only if fees are settled in full.

Should your child require individual therapy, the therapy sessions will be billed to your medical aid directly, or will be charged at private cash rates.

Enrolment process: (Also see Admission Policy Documents)

A pre-admission assessment will be done by Ms. Bessie Venter-van Zyl (Educational Psychologist) to determine if your child is a candidate for our centre and so that a child specific program for your child can be planned.

This may be charged to your medical aid and you may contact Bessie at 0119753860 / 0780515120 or email your assessment request to: info@futurewings.co.za Add any previous assessment reports from doctors and therapists, as well as last scholastic report as this will expedite the process.
